The Cutwater 24 Center Walkaround - Designed and built to be a master of multiple functions, the C-24 CW is just as comfortable sporting downriggers as it is entertaining your guests as you take in a scenic sunset cruise. Whether you're fishing, enjoying watersports, sightseeing, or day cruising, the C-24 CW opens up a new world of exciting possibilities. Powered by a Yamaha 250 HP outboard, she is fast, efficient and fun. Our Laminar Flow Interrupters provide smooth positive cornering and her deep-V forward and double stepped hull gets on plane quickly. The interior of the C-24 CW boasts a private head with marine toilet and has 6' 2" headroom! Standard features include Garmin 942xs chartplotter with GPS and sonar, aft insulated icebox, rod holders, locking rod storage, large heavy duty cooler with seat, pop up ski tow, retractable stainless cleats, and abundant drink holders throughout. Options include sunshades, livewell, electric grill, and more.
