

# CUTWATER 32 COMMAND BRIDGE

**Do it all with this no-compromise cruiser.** The Cutwater 32 Command Bridge (C-32 CB) introduces an entirely new perspective to an outboard powered family cruiser. Take the helm from the command bridge and enjoy panoramic views, expansive entertaining space and enhanced control.

Performance, versatility, and comfort are central to the design. The advanced double-stepped, deep-V hull combines speed, efficiency and superior stability. Our Laminar Flow Interrupters allow for smooth, positive cornering. Roll the throttles forward and you'll feel the powerful twin, counter-rotating 300HP Yamaha outboards, propel the C-32 CB to remarkable speeds.

Upon stepping into the comfortable interior, you'll feel fully at home. With wood accents throughout, a fully furnished galley, large dinette, private head and shower, and a luxurious master stateroom featuring an island bed with recessed LED lighting, the C-32 CB provides a resort-like experience. The large mid-ship stateroom and convertible dinette comfortably sleep up to four additional guests.

You'll find extensive entertaining space on deck. The cockpit hosts expanding seating, rear-facing lounge, an electric BBQ grill, sink and an additional refrigerator. Moving to the foredeck you'll love the hide-away lounge seating to relax and take in the sunset.

Equipped with the latest in marine electronics, the helm is where you're fully in control. Dual Garmin 8612xsv chartplotters with sonar, xHD radar, VHF, electronic throttles, and joystick thruster controls, all work in unison to get you where you want to go, quickly and safely. Step up to the Command Bridge for the same electronic enhanced navigation experience, plus a towering 360-degree view.

Perhaps the most exciting new feature of the C-32 CB is the first of its kind, Clear-Path swim platform boasting thirty-two square feet of level, unobstructed, nonskid decking without any outboard well, rigging tubes or hoses to trip over. Heavy-duty stainless-steel handrails provide stability for boarding, fishing, watersports, and safe dinghy access. To sum it all up, the C-32 CB is a robust, do it all outboard cruiser that gives you the freedom to get out there and fish, cruise, explore, and more!
