

CUTWATER 32 COUPE

Do it all with this no-compromise cruiser. The Cutwater 32 Coupe (C-32 C) introduces an entirely new way of thinking about an outboard-powered cruiser. Performance, versatility and comfort are central to the design of the C-32 C. It's advanced double-stepped, deep-V hull design combines speed, efficiency and superior stability for a fun and comfortable ride. Our Laminar Flow Interrupters allow for smooth, positive cornering. Roll the throttles forward and you'll feel the powerful twin, counter-rotating 300HP Yamaha outboards propel the C-32 C to remarkable speeds.

Upon stepping into the comfortable interior, you'll feel fully at home. With wood accents throughout, a fully furnished galley, large dinette, private head and shower, and a luxurious master stateroom featuring an island bed with recessed LED lighting, the C-32 C delivers a resort-like experience. The large midship stateroom and convertible dinette comfortably sleep up to four additional guests.

You'll find extensive entertaining space on deck. The cockpit hosts expanding seating, rear-facing lounge, an electric BBQ grill, sink and an additional refrigerator. Moving to the foredeck you find the hide-away lounge seating to relax and take in the sunset. Equipped with the latest in marine electronics, the helm is where you're fully in control. Dual Garmin 8612xsv chartplotters with sonar, xHD radar, VHF, electronic throttles, and joystick thruster controls, all work in unison to get you where you want to go, quickly and safely.

Perhaps the most exciting feature of the C-32 C is the Clear-Path swim platform boasting thirty-two square feet of level, unobstructed, nonskid decking without any outboard well, rigging tubes or hoses to trip over. Heavy-duty stainless-steel handrails provide stability for boarding, fishing, watersports, and safe dinghy access. To sum it all up, the C-32 C is a robust, do it all outboard cruiser that gives you the freedom to get out there and fish, cruise, explore, and more!

Specifications

Length rigged LOA (motors down)	37' 8"	11.5 m
Length rigged LOA (motors up)	39' 10"	12.1 m
Beam	10'	3.05 m
Draft (motors up)	26"	0.66 m
Draft (motors down)	33"	0.84 m
Weight (dry)	11,400 lbs	5,171 kg
Height on factory trailer	13' 6"	4.1 m
Fuel capacity	300 U.S. Gal	1,135.6 L
Water capacity	60 U.S. Gal	227.1 L
Holding tank capacity	40 U.S. Gal	151.4 L

Standard Features

Performance

Twin 300 HP Yamaha F300 outboards
Double stepped hull
Electric trim tabs
Laminar flow interrupters
Bow and stern thruster
Thruster wireless remote
Trailerable - 10' beam
